Parishwide Proposition (Millage Continuation)

Shall the Parish of West Carroll, State of Louisiana (the "Parish"), continue to levy a 4.78 mills tax on all the property subject to taxation in the Parish (an estimated $349,000 reasonably expected at this time to be collected from the levy of the tax for an entire year), for a period of 10 years, beginning with year 2028 and ending with the year 2037, for the purpose of constructing, maintaining, operating, improving and extending library facilities and services in and for the Parish, said millage to represent a .03 mills increase (due to reappraisal) over the 4.75 mills tax authorized to be levied through the year 2027 pursuant to an election held on December 10, 2016?
