Road District No. 5A Sales Tax District Proposition (Sales Tax)

Shall Road District No. 5A Sales Tax District of the Parish of Rapides, State of Louisiana (the "District"), be authorized to levy and collect a sales and use tax of 2% (the "Tax") in accordance with Louisiana law (an estimated \$376,000 reasonably expected at this time to be collected from the levy of the Tax for an entire year), for a period of 10 years, commencing January 1, 2026, with the avails and proceeds of the Tax (after paying reasonable and necessary costs and expenses of collecting and administering the Tax) to be dedicated and used for the purpose of constructing, improving, maintaining and keeping in repair the public roads, highways, bridges and related drainage facilities in the District?

- Yes
- No

What happens if you vote "YES"?

A 2% sales and use tax will be collected within the District starting January 1, 2026, for the next 10 years. The revenue raised each year will go towards constructing, improving, maintaining, and repairing public roads, highways, bridges, and related drainage systems in the District.

What happens if you vote "NO"?

There will be no additional sales tax collected in the District. As a result, the District will lose out on an estimated \$376,000 per year that would have been used for road, bridge, and drainage improvements and repairs.
