Fire Protection District No. 18 Proposition (Millage Renewal)

Shall Fire Protection District No. 18 of the Parish of Rapides, State of Louisiana (the "District"), continue to levy a special tax of 20 mills (the "Tax") (an estimated \$436,000 reasonably expected at this time to be collected from the levy of the Tax for an entire year) on all the property subject to taxation in the District for a period of 10 years, beginning with the year 2028 and ending with the year 2037, for the purpose of acquiring, constructing, maintaining and/or operating fire protection and emergency medical service facilities, vehicles and equipment, including both movable and immovable property, and including paying the cost of obtaining water for fire protection purposes, provided that a portion of the Tax proceeds is required to be contributed to state and statewide retirement systems as provided in R.S. 11:82?

☐ Yes

☐ No

Town of Boyce Proposition

Shall the Town of Boyce, State of Louisiana (the "Town"), be authorized to appoint a marshal who is the chief of police of the Town with the approval of the Board of Aldermen and the Mayor?

☐ Yes

☐ No

Constitutional Amendments**Proposed Amendment 1
Disabled Veteran Property Tax
Exemption**

Do you support an amendment to allow the surviving spouse of a deceased veteran with a service-connected disability, who receives the additional property tax exemption, to make a one-time transfer of the additional property tax exemption to a subsequent qualifying property? (Effective January 1, 2027) (Amends Article VII, Section 21(K)(1))

☐ Yes ☒ NO

What a YES Vote Means

- ➔ A surviving spouse of a disabled veteran can transfer an existing additional property tax exemption to one new qualifying home after moving.

What a NO Vote Means

- ➔ The additional tax exemption stays with the original property and cannot be transferred to a new home.
- ➔ **Why NO:** We support veterans and their families, but we do not need another special tax exception written into the state constitution.

Who is Affected?

- ➔ Surviving spouses of disabled veterans
- ➔ Local governments.

Potential Impact

Eligible surviving spouses would have **greater flexibility to move** without losing their property tax benefit. Local governments may collect slightly less property tax revenue from qualifying properties.

**Proposed Amendment 2
Local Property Tax Rates (Millages)**

Do you support an amendment to allow a local taxing authority to continue to levy a lower millage rate without losing its ability to adjust to the maximum authorized millage rate from a prior year's reassessment? (Effective January 1, 2027) (Amends Article VII, Section 23(C))

☐ Yes ☒ NO

What a YES Vote Means

- ➔ Local governments can temporarily lower property tax rates and later restore them to their previously authorized maximum without voter approval.

What a NO Vote Means

- ➔ Current law remains. A government that lowers its millage may lose some ability to return to the previous maximum rate.
- ➔ **Why NO:** It **would** make it easier for property tax rates to go back up. Keep the current rules in place.

Who is Affected?

- ➔ Homeowners
- ➔ Businesses
- ➔ Local governments
- ➔ Taxpayers

Potential Impact

Gives local governments **more flexibility in managing tax rates**. Supporters say it allows temporary tax relief without permanently reducing future revenue options. Critics say it could make future property tax increases easier.

Constitutional Amendments**Proposed Amendment 3****Post-Conviction Bail for Crimes Against Children**

Do you support an amendment to prohibit a defendant from being released on any post-conviction bail if the defendant is convicted of an aggravated offense against a minor child? (Adds Article I, Section 18(C))

☐ Yes ☒ **NO**

What a YES Vote Means

- ➔ A person convicted of certain aggravated crimes against a minor cannot be released on bail while appealing the conviction.

What a NO Vote Means

- ➔ Judges continue to follow existing laws when deciding whether someone may be released on bail after conviction.
- ➔ **Why NO:** Judges should be able to look at each case. Our justice system makes mistakes, and appeals are an important part of due process.

Who is Affected?

- ➔ Defendants
- ➔ Crime victims
- ➔ Courts
- ➔ Law enforcement

Potential Impact

People convicted of these offenses would remain in custody during the appeals process. Supporters say this increases public safety. Critics may argue it limits judicial discretion before appeals are complete.

Proposed Amendment 4**Governor Term Limits**

Do you support an amendment to prohibit a person who has served more than one and one-half terms as governor from being elected as governor for any future term? (Amends Article IV, Section 3(B))

☐ Yes ☒ **NO**

What a YES Vote Means

- ➔ Anyone who has served more than one and one-half terms as governor could never run for governor again.

What a NO Vote Means

- ➔ Current constitutional term-limit rules stay in place—two terms consecutively, but can serve an unlimited amount of terms as long as they are not consecutive.
- ➔ **Why NO:** Let the voters decide who they want to elect.

Who is Affected?

- ➔ Future Governors
- ➔ Voters

Potential Impact

Creates a lifetime limit for governors who exceed one and one-half terms, increasing leadership turnover while limiting future voter choices.

Constitutional Amendments**Proposed Amendment 5**
State Retirement Debt

Do you support an amendment to authorize a state retirement system to apply any nonrecurring state monies it receives to any of its unfunded accrued liability rather than requiring application to its oldest unfunded accrued liability? (Amends Article VII, Section 10(D)(2)(b)(iii))

☐ Yes ☒ **NO**

What a YES Vote Means

- ➔ State retirement systems can decide which unfunded pension debt to pay first when receiving extra one-time state money.

What a NO Vote Means

- ➔ Retirement systems must continue paying their oldest debt first.
- ➔ **Why NO:** Keep a clear and predictable rule for paying retirement debt.

Who is Affected?

- ➔ State retirement systems
- ➔ Retirees
- ➔ Taxpayers

Potential Impact

Gives retirement systems more flexibility in managing pension debt. Supporters say it allows smarter financial planning; critics may prefer keeping the current repayment rules.

Proposed Amendment 6
Additional Property Tax Exemption for Seniors

Do you support an amendment to authorize parishes and municipalities to extend an additional property tax exemption for property subject to the homestead exemption that is owned and occupied by a person who is at least sixty-five years of age and who qualifies for the special assessment level? (Effective January 1, 2028) (Adds Article VII, Section 21(P))

☐ Yes ☒ **NO**

What a YES Vote Means

- ➔ Local governments may choose to offer an additional property tax exemption to qualifying homeowners age 65 and older.

What a NO Vote Means

- ➔ Local governments cannot offer this new exemption.
- ➔ **Why NO:** More property tax exemptions will mean **less** money for our schools and local services.

Who is Affected?

- ➔ Senior homeowners
- ➔ Local governments
- ➔ Taxpayers

Potential Impact

Eligible seniors could pay less in property taxes if their parish or municipality adopts the exemption. Local governments choosing to offer it may collect less tax revenue.

Constitutional Amendments**Proposed Amendment 7
Drinking Water Service Lines**

Do you support an amendment to allow for the use of public funds by a political subdivision for the purpose of identifying, inventorying, removing or replacing drinking water utility service lines made of or affected by materials as specified or prescribed by the Lead and Copper Rule Improvements of the United States Environmental Protection Agency, promulgated October 30, 2024, or subsequent promulgation, on property owned by utility customers? (Amends Article VII, Section 14)

☒ **YES** ☐ **No**

What a YES Vote Means

- ➔ Public funds can be used to identify, remove, and replace hazardous drinking water service lines—even on private property.
- ➔ **Why YES:** Get dangerous pipes out of our communities and protect families from unsafe drinking water. The federal government has over \$150 million available to fix dangerous lead pipes, but it can only be used if this amendment passes.

What a NO Vote Means

- ➔ Public funds can continue to be used on public water infrastructure, but cannot be used to remove or replace hazardous service lines on private property.

Who is Affected?

- ➔ Homeowners
- ➔ Renters
- ➔ Water Utilities
- ➔ Local Governments

Potential Impact

Could speed up the replacement of lead and other hazardous water pipes, improving drinking water safety. May require additional public spending for infrastructure improvements.

**Proposed Amendment 8
Property and Foreign Adversaries**

Do you support an amendment to prohibit expropriation of property by a foreign adversary or an agent of a foreign adversary? (Amends Article I, Section 4(B)(4))

☐ **Yes** ☒ **NO**

What a YES Vote Means

- ➔ A company owned, controlled, or directed by a foreign adversary, (even partially, or without majority ownership) could not use Louisiana's private expropriation laws to force the sale of someone's property.

What a NO Vote Means

- ➔ No new constitutional prohibition would be added.
- ➔ **Why NO:** We don't need to change the constitution for something that can be handled through regular state law.

Who is Affected?

- ➔ Property owners
- ➔ Government Entities

Potential Impact

Adds a constitutional restriction related to property rights and foreign adversaries. Because expropriation by foreign adversaries is uncommon, the practical impact may be limited unless such situations arise.

Constitutional Amendments**Proposed Amendment 9****Income Limit for Senior Property Tax Assessment Freeze**

Do you support an amendment to increase the maximum amount of income a person may receive and still qualify for the special assessment level for residential property receiving the homestead exemption? (Effective January 1, 2027) (Amends Article VII, Section 18(G)(1)(a)(iii))

☐ Yes☒ **NO****What a YES Vote Means**

- ➔ Raises the income limit from \$100,000 to \$150,000 for seniors to qualify for Louisiana's special assessment level, which keeps property taxes from increasing because of higher property values.

What a NO Vote Means

- ➔ The current income limit stays at \$100,000.
- ➔ **Why NO:** Expanding property tax breaks will mean less money for schools and local services.

Who is Affected?

- ➔ Senior homeowners
- ➔ Local Governments

Potential Impact

More older homeowners may qualify for property tax protection, making it easier to remain in their homes as property values rise. Local governments could collect less property tax revenue from eligible properties.

Proposed Amendment 10**Tax Exemptions for Rehabilitated Blighted Properties**

Do you support an amendment to allow property tax exemptions for blighted or derelict properties that have been rehabilitated, and to require the legislature to enact laws providing for administration of these exemptions? (Effective January 1, 2027) (Adds Article VII, Section 21(P))

☐ Yes☒ **NO****What a YES Vote Means**

- ➔ Creates an optional property tax exemption for rehabilitated blighted or derelict property, with the Legislature required to define eligible property, set the exemption's length, and establish rules for local governments to administer it

What a NO Vote Means

- ➔ The Legislature would not be constitutionally required to do this
- ➔ **Why NO:** Voters should know who gets the tax break, how it works, and how long it lasts before putting it in the constitution.

Who is Affected?

- ➔ Property owners
- ➔ Developers
- ➔ Neighborhoods
- ➔ Local Governments

Potential Impact

May encourage investment in abandoned or deteriorating properties, helping revitalize neighborhoods. Local governments could receive less property tax revenue from qualifying properties during the exemption period.
